

ACTIVITY 25: DRAWING OF PET ANIMALS

Age: 8yrs and above

Materials: A4 paper, pencil

Steps:

1. Think of all the different pet animals you know. Do you have one at home? What are the pets you have seen around you?
2. What are some of the shapes and sizes of the pets? Do they all have the same number of legs, lines, marks or textures or are they different? Which one is your favourite?
3. Select one pet animal of your choice and start sketching it by looking at an image or your pet directly.
4. Start with an outline of the biggest shape and then add all the details and textures.

Remember to observe the pet closely throughout the process.

5. Once you finish drawing one pet animal, choose another one and repeat the process.

6. After you are done, share the drawing with a friend and tell them what made you choose particular pet animals and if you have found any interesting marks or patterns on the animal.
