

## ACTIVITY 21: CREATING FUTURISTIC VEHICLE

**Age:** 8yrs and above

**Materials:** Bottles, carton boxes, glue, tape, scissors, colour papers, etc.

### Steps:

1. Take a look at your futuristic vehicle sketch from the last activity.
2. Refer to your sketch every step of the way while creating your own futuristic vehicle using recyclables.
3. Start by cutting the biggest shape from the sketch and then cut the smaller ones.
5. After you cut down all the shapes, glue or tape them together referring to your sketch.
6. Then add the patterns and textures you might want to put on top of the parts of your vehicle.
7. Share them with a friend and tell them how you made the vehicle and the speciality.
